**It is time for the annual VFC Regional Training!
The 2022 training will be held virtually and administered by the Illinois
Chapter, American Academy of Pediatrics (ICAAP).**

The training consists of four pre-recorded parts, or modules, that can be viewed in one sitting or as time allows.

The titles of the modules are:

1. CDPH VFC Program
2. Vaccine Schedules
3. COVID-19 Vaccines
4. Other Topics

You will only receive a certificate of completion and continuing education credit if you:

- ✓ Register for and complete all four training modules **AND**
- ✓ Complete the evaluation at the end of the training

All certificates will be sent to the email you used for registration by Friday, July 8th. Use the same email for each module or you will not receive full credit for completion. The training will be available for you to complete from **May 4th through June 30th** on the CDPH VFC [GoToWebinar Channel](#). To view the modules on the channel:

- Click on the module you want to watch (please view in order)
- Complete all registration fields for **each** module (use the same email for each module or you will not receive full credit for completion)
- Watch the module
- When you have completed the module, simply go back to the CDPH VFC [GoToWebinar Channel](#), and begin the next module at your earliest convenience
- When you are done with module 4, follow the QR code or URL for the evaluation

Remember, at least two VFC staff members from each clinic must complete the training.

If you plan to watch a module(s) with a fellow staff member from your site, the person who **did not** enter their registration information must email Monica at MDelCiello@illinoisAAP.com to receive credit. Please include:

- The **times** and **dates** the module(s) were watched
- The **first and last name** of the staff person who did register to view the module(s)

Please reach out to Monica at MDelCiello@illinoisAAP.com if you have any questions about the information mentioned above. Thank you!
