

MPV VACCINE ELIGIBILITY UPDATE

THE MPV JYNNEOS VACCINE IS AVAILABLE TO ANYONE LIVING IN ILLINOIS WHO:

- ★ Had skin-to-skin or intimate contact with someone diagnosed with MPV
- ★ Lives with HIV
- ★ Is eligible for or currently takes HIV-PrEP
- ★ Exchanges goods or services for sex

OTHERS WHO ARE ELIGIBLE INCLUDE:

- ★ Sexually active gay, bisexual and other same gender-loving men and transgender individuals

Especially consider getting vaccinated if you:

- ★ Met recent partners through online applications or social media platforms (such as Grindr, Tinder or Scruff), or at clubs, raves, sex parties, saunas.
- ★ Were diagnosed with sexually transmitted infection(s) (STI) in past 6 months.
