

SHOPPING WITH WIC

EBT CARD

NEW: No more paper coupons! Benefits for the whole family are all on one card

EASY: Use it like a debit card. All benefits are protected with a personal PIN chosen by clients

FLEXIBLE: Clients purchase what they need and their balance will be updated rather than purchasing all items.

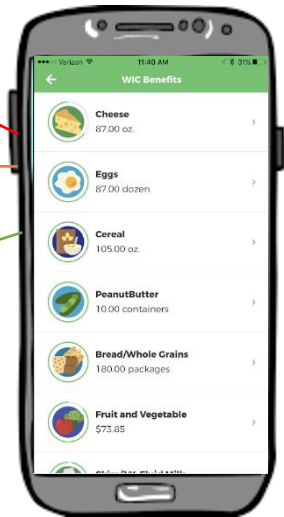

ACCESSIBLE: Clients can use benefits at regular stores (Jewel-Osco, CVS, Walgreens, and more!)

TRACK: Clients can track remaining balances for all items on their personalized food list

LOCATOR: You can use a map locator on the app to find EBT-friendly stores/vendors nearby based on zip codes.

SCAN: Clients can use a barcode scanner function to check whether foods are WIC-eligible prior to check out.
