

2016 Chicago Regional STI / HIV Prevention Clinical Update

1-DAY CONFERENCE

SEPTEMBER 29, 2016

UNIVERSITY CENTER

CHICAGO

525 S. STATE ST.

Course Description

This is a **FREE one day advanced continuing education program** on sexually transmitted infections (STIs) and HIV prevention geared towards clinical providers. Leaders in public health, STI, and HIV prevention will discuss trending topics of local and national importance, including STI/HIV epidemiology; pre-exposure prophylaxis (PrEP) disparities and implementation; and sexually-transmitted Zika virus infection.

Target Audience

Physicians, mid-level providers, nurses, and other clinical providers of care.

Cost and Registration

This one-day course is FREE, but you must register in advance at the National Network of STD Clinical Prevention Training Centers website:

<https://courses.nnpctc.org/register.html?id=1543>.
