

# SAVE THE DATE

## 2016 Chicago Regional STI / HIV Prevention Clinical Update 1-DAY CONFERENCE

**September 29, 2016**  
**8:00AM - 4:30PM CDT**

This conference is created through a collaboration of the following programs (click the logos for more information):

St. Louis STD/HIV  
Prevention Training Center

CHICAGO DEPARTMENT OF PUBLIC HEALTH

MIDWEST AIDS TRAINING + EDUCATION CENTER

### Conference Location:

University Center  
[525 S State Street](#)  
[Chicago, IL 60605](#)

### Target Audience:

Physicians, mid-level providers, nurses, and other clinical providers of care.

### Course Description:

This is a FREE one day advanced continuing education program on sexually transmitted infections (STIs) and HIV prevention geared towards clinical providers. Leaders in public health, STI, and HIV prevention will discuss trending topics of local and national importance, including STI/HIV epidemiology; pre-exposure prophylaxis (PrEP) disparities and implementation; and sexually-transmitted Zika virus infection.

### Objectives:

At the end of this conference, clinicians will be able to:

- Describe STI epidemiology specific to the Midwestern US and the Chicagoland area.
- Identify strategies for PrEP implementation in the Midwestern US.
- Recognize the ways in which Zika virus may be transmitted through sexual contact.
- Discuss disparities in STI and HIV prevention which affect minority and disadvantaged populations.
- Define national focus areas and priorities for STI and HIV prevention.

**Accreditation:** "This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Missouri State Medical Association (MSMA) through the joint providership of St. Louis STD/HIV Prevention Training Center and the Chicago Department of Public Health. The St. Louis STD/HIV Prevention Training Center is accredited by the MSMA to provide continuing medical education for physicians."

**CME credits will be provided**
