# SAVE THE KITTTIES

WHEN YOU GET TESTED FOR STIs.

**Don't wonder. Get tested for Sexually Transmitted Infections.**

Teens and young adults account for half of all new cases. Testing is confidential, free or low cost and it makes the world a safer place for your kitty, muffin, eggplant, or whatever else you call your most precious parts.

# CHAT Program

Facilitating treatment if a CHAT participant comes through your door:

- Testing at school
- Notification by phone
- No paper records
- May be unclear on details
  - Infection type
  - Date of testing

Chicago Healthy Adolescents & Teens

# CHAT Program

- When in doubt, retest, but TREAT
- DON'T retest and expect the student to follow up

Chicago Healthy Adolescents & Teens

# CHAT Program

Give patient the option to confirm positive result:

1. Sign a HIPAA release for PPIL & fax records request
2. Call CHAT team at PPIL, hand young person the phone

Chicago Healthy Adolescents & Teens

# CHAT Program
