## Topic of the Month: Respiratory Virus Season

During respiratory virus season, keeping your loved ones safe and healthy is one of the best gifts you can give during the holidays. Knowing how to stop the spread of infection is important for protecting you and your community. Here are some IPC guidelines:

- Wear a mask
- Get vaccinated
- Practice hand hygiene
- Practice physical distancing
- Clean and disinfect surfaces

PFL has many resources including micro-learns, training toolkits, infographics, and more [here](#).
