

# July 2024 Newsletter

## Topic of the Month: Safe Summer

Proper hand hygiene isn't just for healthcare settings. It's essential for keeping you and your loved ones safe during your summer cookouts and activities. Proper hand hygiene protects against germs, whether you are at the beach, hiking or having a picnic.

## Infection Control

Implementing proper infection control measures such as cleaning and disinfecting, we become everyday heroes in the fight of spreading germs. Check out the link below for project firstline microlearns.
